

Mr. Erlin serves as Blackboard International's Regional Vice President for SE Asia / Australia & New Zealand. Mr. Erlin joined Blackboard in February 2006 as a result of the company's acquisition of WebCT Inc., a US-based privately owned educational software company. Prior to WebCT, Mr. Erlin lead multiple business units and teams at DigitalThink, a publicly traded US Corporation providing custom e-learning solutions to align employee, partner and customer skills with the strategic initiatives of DigitalThink's customers. Prior to DigitalThink, he served as Vice President of Sales for several technology start-ups in the healthcare industry.
