

I have done my medical Graduation from St.Petersburg Medical Academy, St.Petersburg, Russia. I have experience of 5 years as resident doctor and medical officer in India and Republic of Maldives. Presently I am doing my Masters Degree in "Telemedicine and eHealth" from University of Tromsø, Norway.

I am a member of International society of Telemedicine and eHealth, and ex-member of International Federation Medical Student Association. I have participated in two International Telemedicine conferences as speaker at University of Pomor, Arkhangelsk, Russia and at Med-e-Tel conference at Luxembourg in April 2007. And my abstract is accepted at TTeC 2007, Tromsø, Norway
