

Managing Director, Drishtee (Drishtee Development And Communication Ltd.) holds extensive experience in the field of software development. After completing his Masters in Business Administration from the Delhi University, he decided to direct the entrepreneurial urge within him to make a difference in the life of ordinary Indian villagers. Satyan worked towards combining the passion with his managerial and technical expertise to create a viable organization. The concept has motivated like-minded people to come together and form an intellectual horsepower behind Drishtee. This team has also taken up limited equity in order to facilitate the growth of the organization.
